## President's Message

Distinguished Members,

It gives me an enormous pleasure to be with all members on this precious occasion of Tenth National Convention and the Thirteenth General Assembly. Mainly it is the occasion of challenges and opportunities for the nation.

But all things are in our hand and united we win and if not with all may even collapse. We have seen many reunions, reconciliations and breaking of the nations. I think it is time to learn from the mistake of outsiders, deliver right decisions for our prosperity, development and fraternity with the culture of democracy.

We are standing on a historical occasion and as the students of administration we are also beneficiaries of the constitution to make good way for the amicable administration for the people. We need to take part to make it more feasible. Though we have and will have constitution assembly members and special committee of experts in the constitution making process. The political parties, civil society, administrative experts and others should facilitate constitution making process implicitly or explicitly.

I think administration is the process that mainly delivers the themes of the constitution. So, we have to be aware in the process of making constitution. Although it has been late to call the Annual General Assembly because of so diverse reasons at last, we have been successful and think it is peak time for the new way of nation building purpose. So let's try to discuss and get the appropriate suggestions. The theme paper on **Constitution Building: Objectives, Challenges and Opportunities** is to be presented for discussion and concrete conclusions. It is our duty as citizens of the country and learners of administration to provide inputs and hope our suggestions be more creative, energetic and accepted for the good governance of the country and its people.

I would like to pay tribute to all the martyrs, particularly, those civil servants who were murdered while serving nation on duty who have sacrificed their lives for the best constitution we have ever had.

Finally I would like to share my happiness and express gratitude to all the institutions and esteemed PAAN members whose untiring efforts have been pivotal in making successful of the PAAN activities.

Prof. Chuda Raj Uprety  
President

## Editor's Note

PAAN would like to congratulate all its esteemed members, distinguished people who serves nation, general people and all Nepalese residing in Nepal and in abroad on the occasion of establishment of **Federal Democratic Republic**

**of Nepal.** PAAN robustly wishes for Recently, constitution assembly election has been successfully completed and constituent assembly is in place. This is the first constituent assembly in Nepal in the history. The main objective of the assembly is to build constitution for strong, peace, developed, prosperous and democratic Nepal. With this point of view PAAN has chosen this year's topic related to Constitution Building.

**Constitution Building: Objectives, Challenges and Opportunities** have been chosen as theme for this year's Tenth National Convention and Thirteen General Assembly. Prof. Dr. Surya Dhungel, constitution specialist has prepared the paper. The paper presentation session will be chaired by Mr. Daman Nath Dhungana, Former Speaker of Parliament.

Law Makers are primarily responsible for building constitution. But the people who implement the constitution are primarily Civil Servants of Nepal. So, apart from law makers, civil society, professional societies and general public, our community should get ample opportunities to involve in building new constitution. Since we also have responsibility of building constitution, let us commit that

practitioners and academicians must contribute as much as possible to provide inputs in building new constitution. The new constitution must provide opportunities for professional development and security for national servants.

However, whatever best constitution we make, will not be successful, unless we implement with firm commitments by law makers, politicians, administrators and public of course. Another factor of this year's theme that is **Constitution Building** - is also equally responsible for successful implementation of constitution. The new constitution should address peace, prosperity and development of the nation by addressing all existing problems of nation including inclusiveness.

The forthcoming convention of PAAN is highly expected to bring all such issues to a lively discussion.

A basic presumption on which the concept of creating an institution like PAAN stood was that there was strongly felt a need to bring both academics and practicing professionals belonging to the field of public affairs management together into a united platform. Even a tiny gap between them is found unhealthy for the growth of clean and competent administrative system of the country. PAAN admits that its mission to this end has not yet reached the ultimate goal, but some progress has indeed been made. It is up to the observers within and outside the organisation to make a judgement on the pace of such progress.

PAAN News has long been serving its distinguished readers by refreshing them with new developments, and also by recalling what has or has not been achieved. It then serves like a mirror, reflecting PAAN's stories and activities. Readers - both members and non-members- are its valuable asset, and its

enriched continuation depends very much on their comments and compliments.

Appointments, special assignments and promotions are solely events of PAAN members. We have tried to include all possible remarkable events of our members. However, members are requested to provide their appointments, special assignments and promotions to PAAN so that could be included in the next issue.

PAAN humbly requests its valuable member to help by furnishing your most recent address and contact telephone no. and e-mail address whenever you relocates, so that we can reach at you.

Due to unavoidable circumstances in the nation, PAAN is convening general assembly after gap only and very few programmes could be conducted during the period. However, PAAN did not miss providing contribution during Peoples' Movement – II. PAAN also publishes appeal time to time.

### PRESS RELEASE RELATED TO AMMENDMENT OF CIVIL SERVICE ACT

PAAN has shown immense concern and protest of unnatural, unlawful civil service act to be ammended during Royal Regime. The very act directly relates with the civil servants morals.

The original document is presented below in the box:

**प्रेस विज्ञप्ती**

निजामती सेवा ऐनलाई अध्यादेशद्वारा संशोधन गर्न लागिएको चर्चा आइरहेको तर्फ नेपाल जनप्रशासन संघ (पान)को ध्यानाकर्षण भएको छ।

समस्त निजामती प्रशासनको मनोबलसाग प्रत्यक्ष सरोकार राख्ने निजामती सेवा ऐनमा संशोधन गर्नुपर्दा सरोकार वालसँग व्यापक छलफल गरिनु पर्दछ भन्ने संघको मान्यता रहेको छ।

छापामा आए अनुसार अतिरिक्त समूहमा जतिसुकै समयसम्म काम नदिई राख्न सकिने, सचिव पदमा बढ्दा गर्दा रिक्त पदको तेबबर सिफारिस गर्नुपर्ने, कर्मचारीहरूको संगठन हटाइने एवं योग्यता र क्षमताको आधारको सट्टा अन्यथा आधारमा मूल्याङ्कन गर्ने तौरतरिकाहरू अपनाईएमा यसै पनि विकट संकटहरू झेलिरहेको निजामती सेवाको मनोबल इन धरासायी हुनसक्ने संभावना प्रति संघ चिन्ता व्यक्त गर्दछ।

यसैगरी निजामती सेवाको विशिष्ट श्रेणी समेतका पदाधिकारीहरूलाई निजामती सेवा नियमावलीले तोकेको समय सीमा भन्दा बढी अवधिसम्म अतिरिक्त समूहमा राखी रहनाले निजामती प्रशासनको मनोबल गिर्दै जाने, नैरास्यता बढ्दै जाने र राष्ट्रको लगानी समेत खेर जाने यस संघको धारणा रहेको छ।

- तेस्रो कुरा, मुलुकी प्रशासनद्वारा आम जनतामा पुऱ्याइने सेवाको प्रभावकारिताका लागि प्रभावकारी मूल्यांकन प्रणाली, कार्य संचालन दिग्दर्शनको निर्माण, सेवा प्रदान गर्ने राष्ट्रसेवकहरू सेवाग्राही प्रति उत्तरदायी हुने व्यवस्था एवं जनतालाई पायक पने स्थानबाट छिटो, छरितो, गुनासो र भ्रष्टाचार रहित तथा गुणस्तरीय एवं किफायती ङगले सेवा प्रदान गर्ने गरी वर्तमान कार्य प्रणाली र कार्य व्यवस्थालाई लोकतान्त्रिक प्रणाली अनुकूल रूपान्तरित गर्नुपर्ने यस संघको जोडदार माग रहेको छ।
- चौथो कुरा, मुलुकी प्रशासनको संचालनमा सरकार र जनताबीच दूरी रहनु हुदैन। साथै सरकार ले कुनै जनतालाई "काखा" र कुनै जनतालाई "पाखा" गर्नु हुदैन। यसका लागि आम र राष्ट्रसेवकलाई कसैको ...चाकर हुन वा कुनै संकिर्ण राजनैतिक ...गुटवन्दी मा सलन हुन नदिई वृहत्तर राष्ट्रिय विकासमा सच्चा राष्ट्रसेवक भै उनीहरूमा रहेको ज्ञान र सीपको अधिकतम उपयोग आम जनताको सेवामा समर्पित गर्न पाउने अवसरको भ्रूजना गर्नुपर्ने कुरामा नेपाल जनप्रशासन संघ जोडदार माग गर्दछ।
- पाँचौं कुरा, वर्तमान राजनैतिक परिवर्तन, आम जनताको चाहना र विश्वव्यापीरूपमा प्रशासन र व्यवस्थापनका क्षेत्रमा देखापरेको नविनतम प्रयोगहरूलाई आत्मसात गर्दै नेपालमा पनि आम सेवाग्राहीहरू लाई सरकारबाट प्रदान गरिने सेवामा अधिकतम सन्तुष्टी प्रदान गर्नुपर्नेको छ। यसका लागि नियमित प्रशासन सुधारको कार्य संचालन गर्न सरकारले उपयुक्त ठहर गरेको एउटा उच्चस्तरीय आयोग वा समिति वा टोली गठन गरिनुपर्दछ र त्यसमा नेपाल जनप्रशासन संघ समेतको प्रतिनिधित्व रहनेछ भन्ने माग गर्दछौं।
- अन्यमा, जन आन्दोलनबाट गठन भएको वर्तमान सरकारका मन्त्रीका हिसयतले लोकतान्त्रिक भावना अनुसूच सामान्य प्रशासन मन्त्रालयको क्षेत्रभित्र पर्ने हरेक विषयमा माननीय मन्त्रीयूको अगुवाईमा हुने कार्यमा नेपाल जनप्रशासन संघले सदैव साथ दिने कुराको विश्वास दिलाउन चाहन्छौं।
- पुनः एकपटक यहाँ र समग्र लोकतान्त्रिक सरकारको कार्यकालको सफलताको लागि नेपाल जनप्रशासन संघको तर्फबाट म अध्यक्ष चुडाराज उप्रेती हार्दिक शुभेच्छा प्रकट गर्न चाहन्छु।
